

WORLD WAKEBOARD ASSOCIATION

January 13, 2009

To Whom It May Concern:

The WWA is a rider formed organization dedicated to promoting and growing wake sports on a global level. It is the leading source for riders, event organizers, and competitive standards. Allowing individual event organizers various options for sanctioning is what we, as the governing body of the sport, provide.

Below is the breakdown of the sanctioning criteria through the WWA:

What We Do:

- \$2 million dollar event general liability with up to \$9 million dollar policies available.
- Rules and multiple event formats to choose from.
- Event support and marketing through the WWA office.
- \$25,000 additional accidental medical coverage for each participant.
- Mass e-mail broadcast for event to surrounding areas.
- Web site listing of event on www.thewwa.com (averages 10,000 hits per day) and contact information for the event.
- Post event publication on the Web site and e-mail broadcast.
- Distribute all pre- and post- event information to members.

The Professional Wakeboard Event being organized at Silver Lake in Winter Haven, Florida organized by Robbie Loftus will be a WWA sanctioned event. All rules, regulations, event formats, safety standards, insurance policies, and industry support will be overseen by the WWA.
